15th Anniversary Celebration Year

Dear Friends of Ireland,

As we prepare to celebrate our 15th Anniversary, we have been so blessed over the years to support our Community of Ireland through the amazing support of you, our many sponsors/donors, and event attendees. During the fall of 2022, we were able to see our most recent goal for the last couple of years realized as sidewalks were installed on N 500 W between Hwy 56 and Ireland Elementary School. During 2023 there were smaller additional projects completed: landscaping at the Pfaff Building, large paving stones on the west entrance into town, and street banners installed through a partnership with the Ireland Lions Club! **In the spring of 2024, we will be repaving and expanding the walking path at Ireland Elementary.** Over the years we have been able to accomplish many other projects including: additional sidewalks, beautifying the Ireland Recycling Area, landscaping throughout Ireland, and provided defibrillators to St. John's and Ireland Elementary (just to name a few). If you have any suggestions for future projects, we'd love to hear your ideas!

Individuals and businesses like you are the only reason these have been accomplished and we are so thankful for you! That is why we are writing this letter to you today. Your support is key to helping the community and St. Patrick's Celebration, Inc. to accomplish future projects. Would you be willing to join us by donating? With your support, we can continue to impact Ireland.
